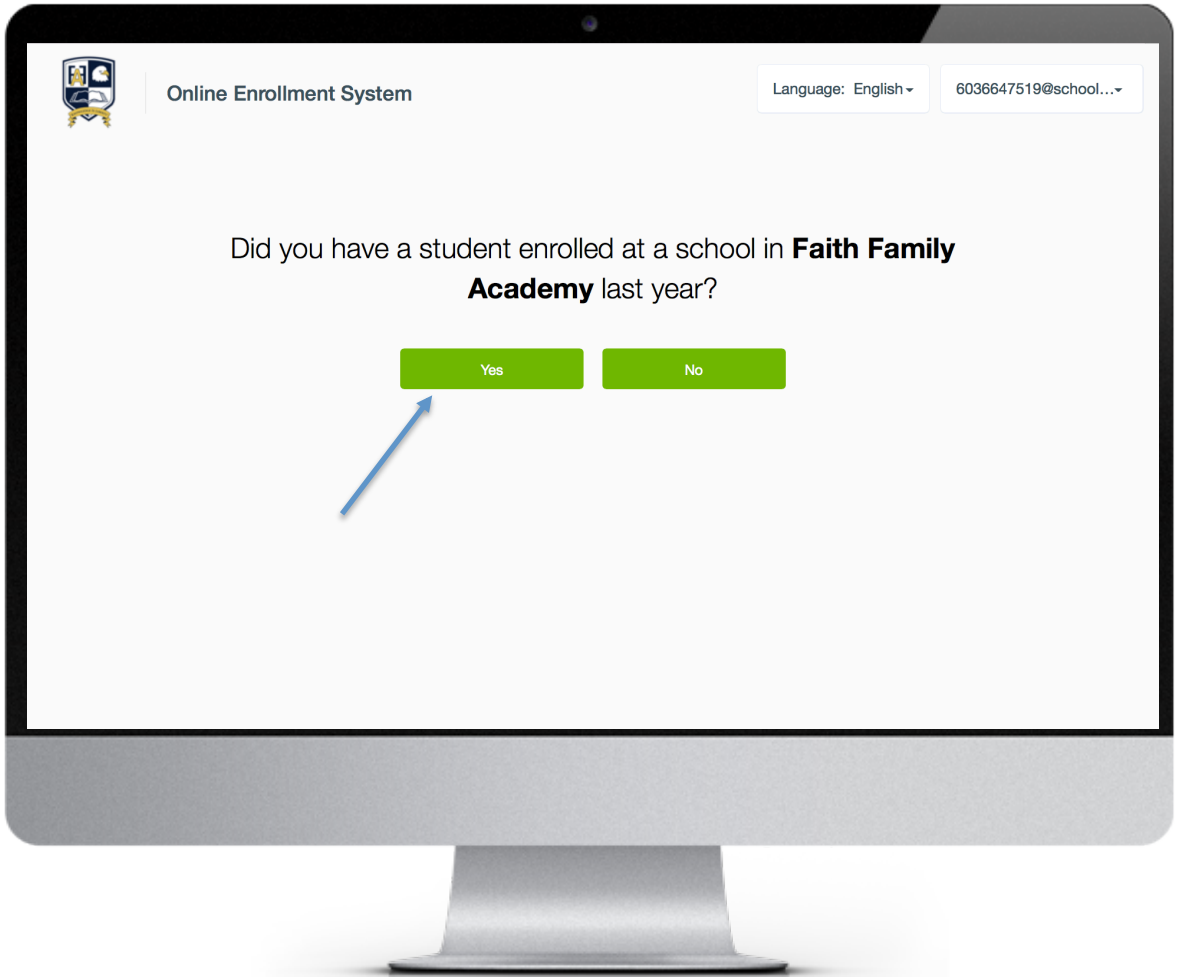
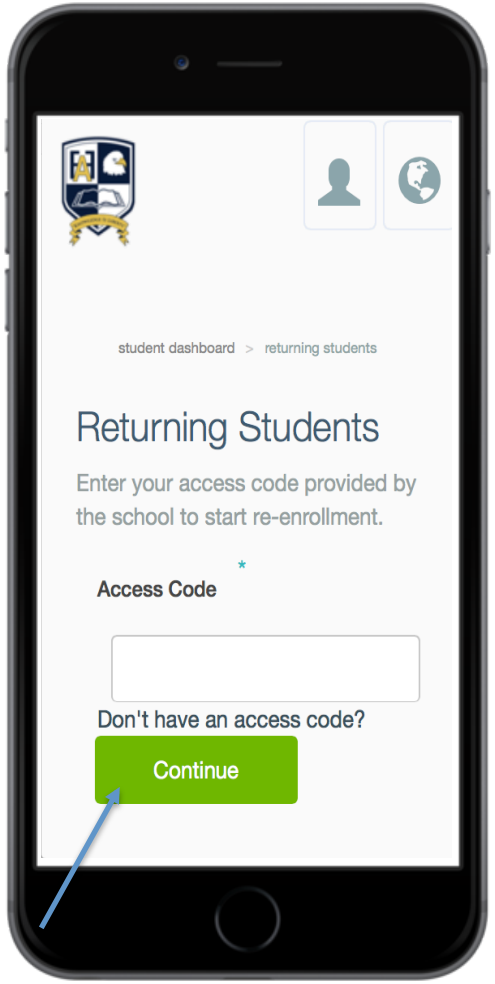
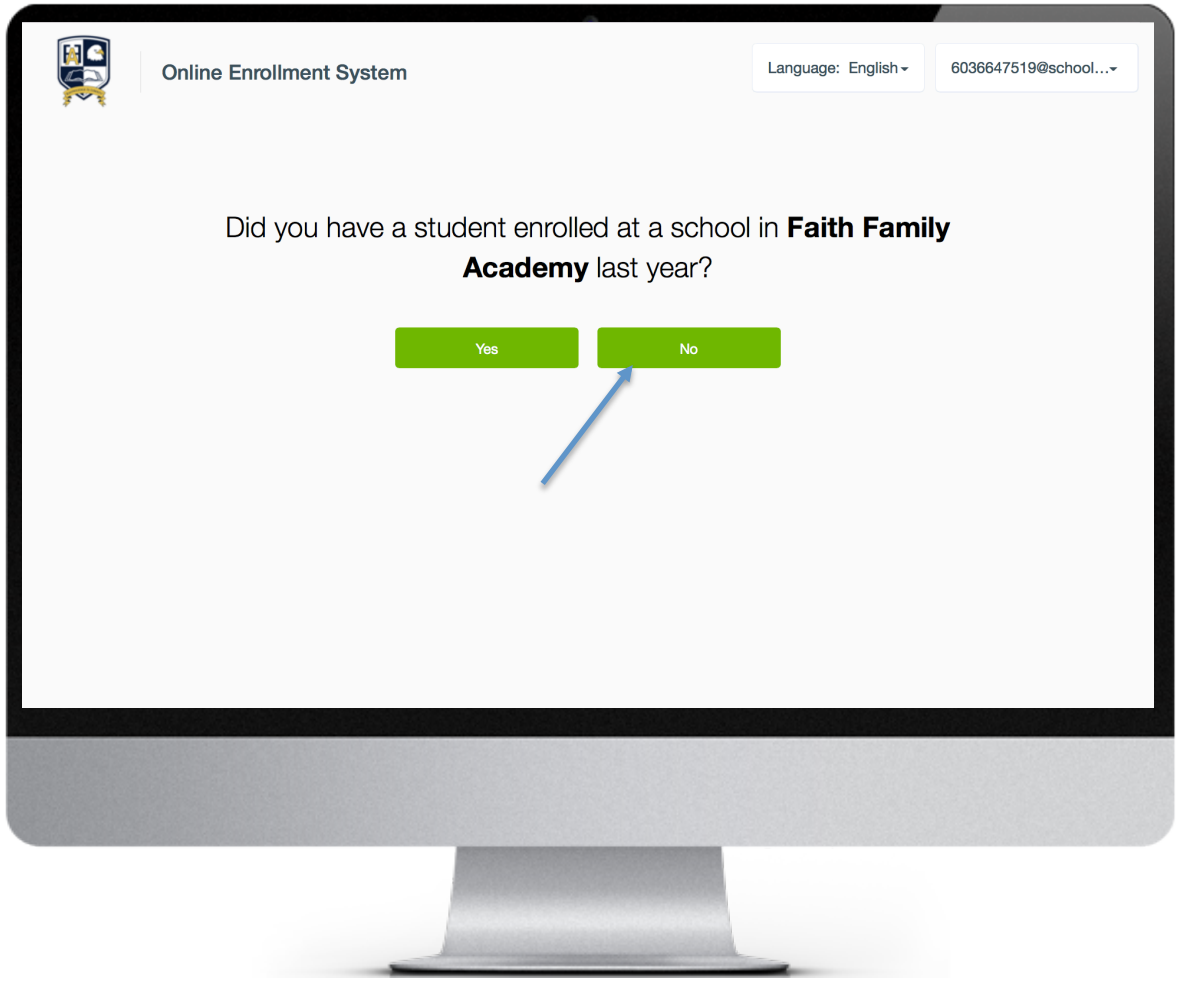
Let's Do This
If you already have an account
Please Log In.

Click yes when asked if student was enrolled at FFA in a previous year and provide your student's access code.

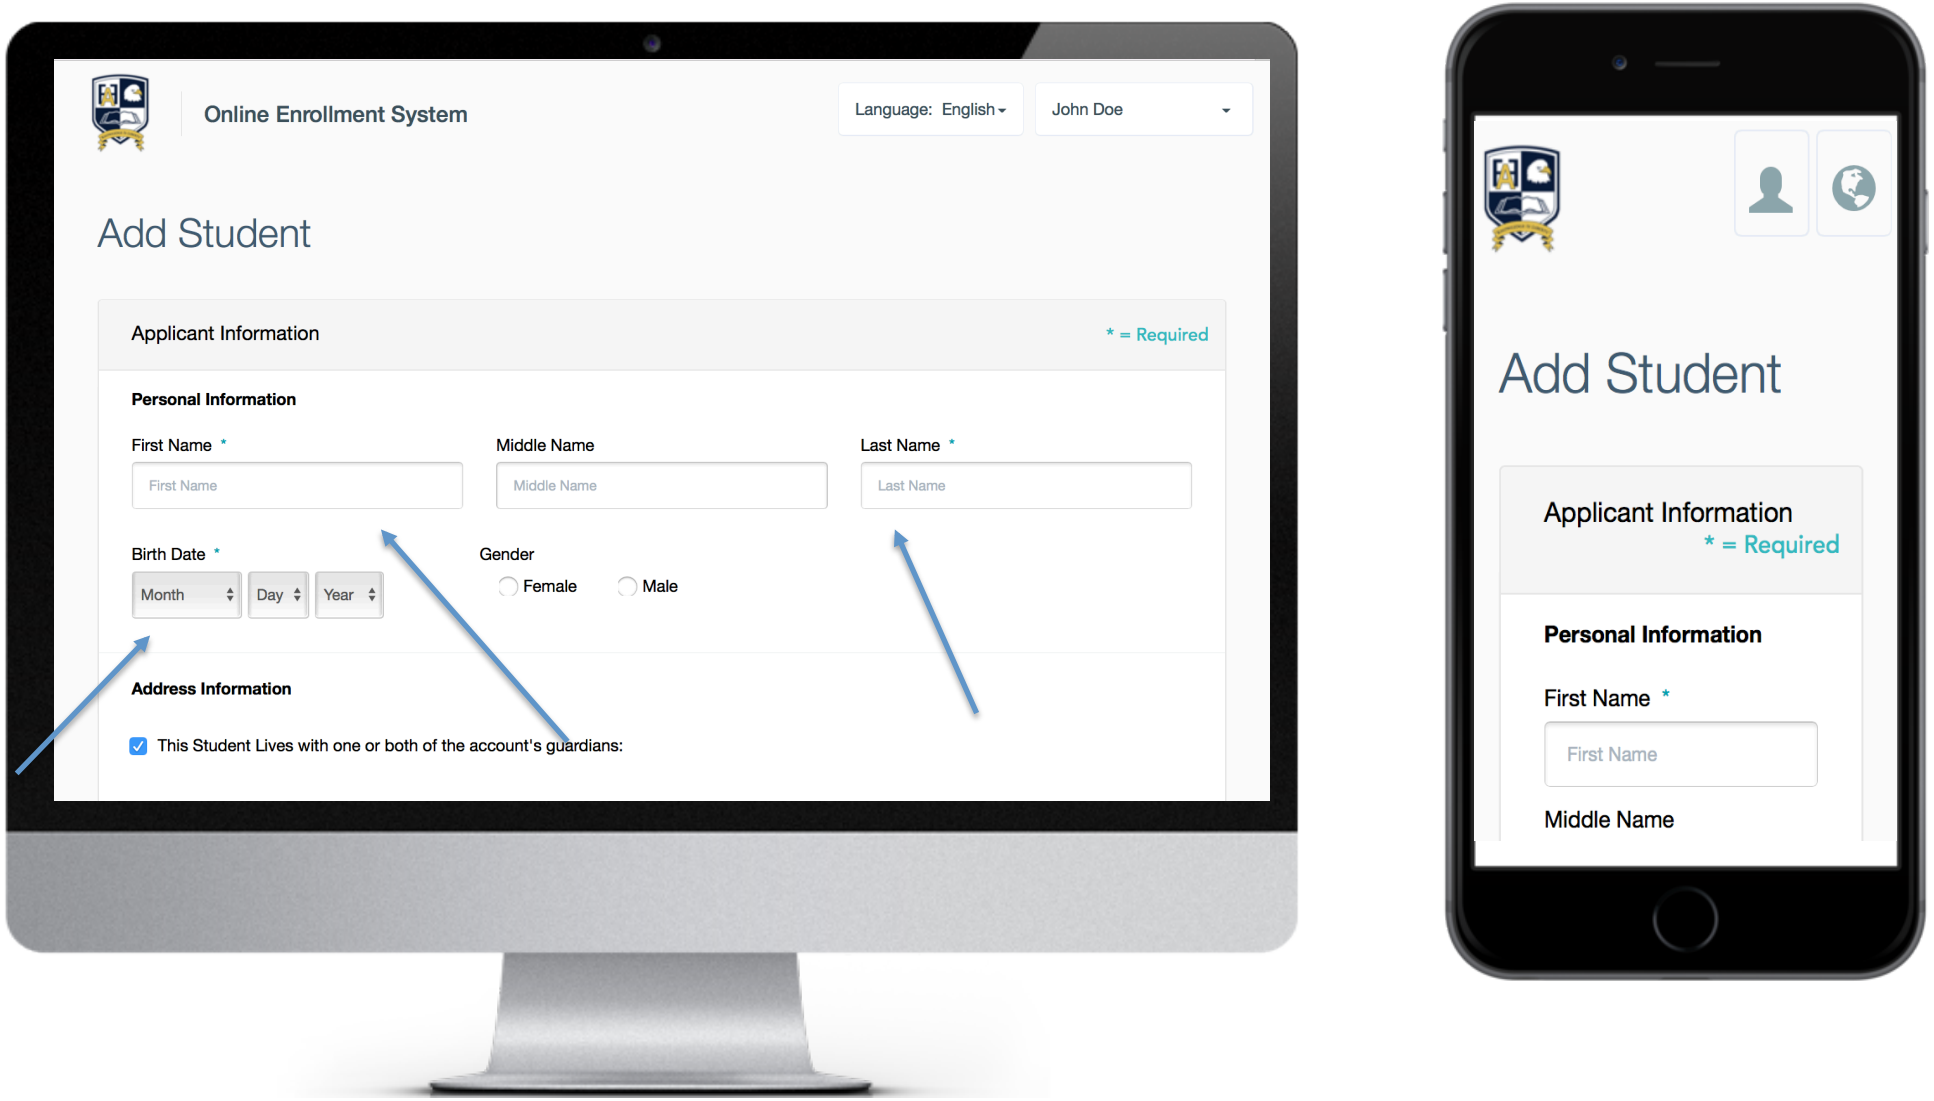




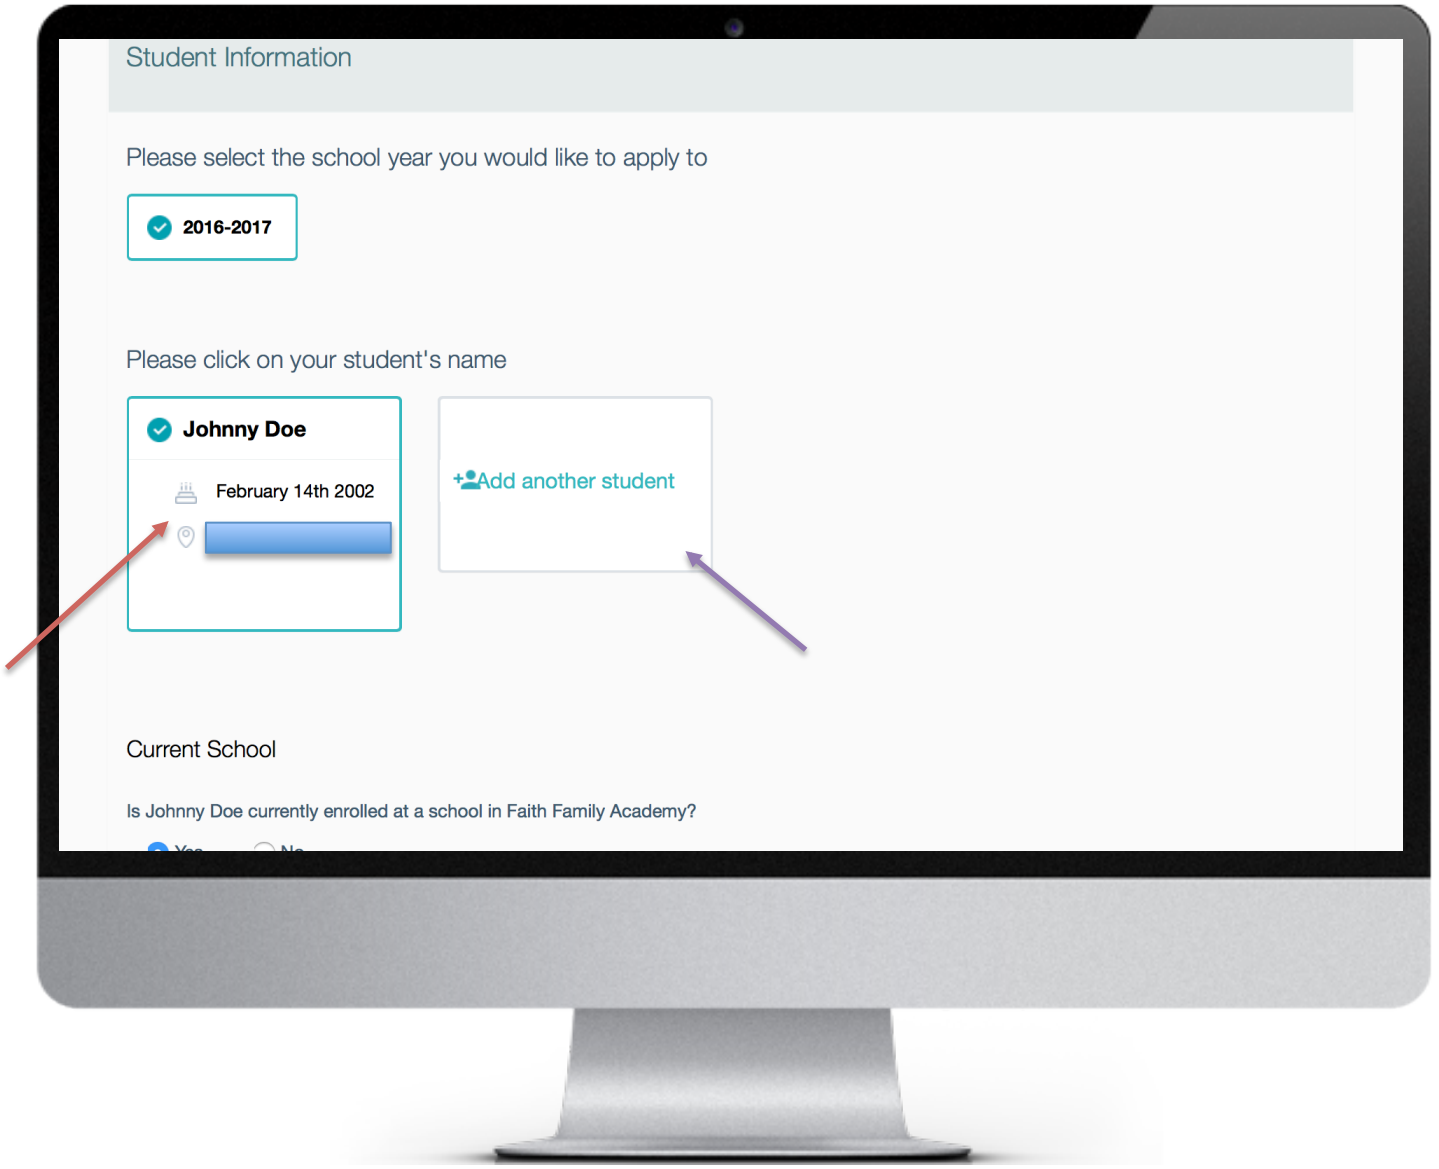
If you are enrolling a new student who did not attend Faith Family Academy this school year (2015-2016), click no.

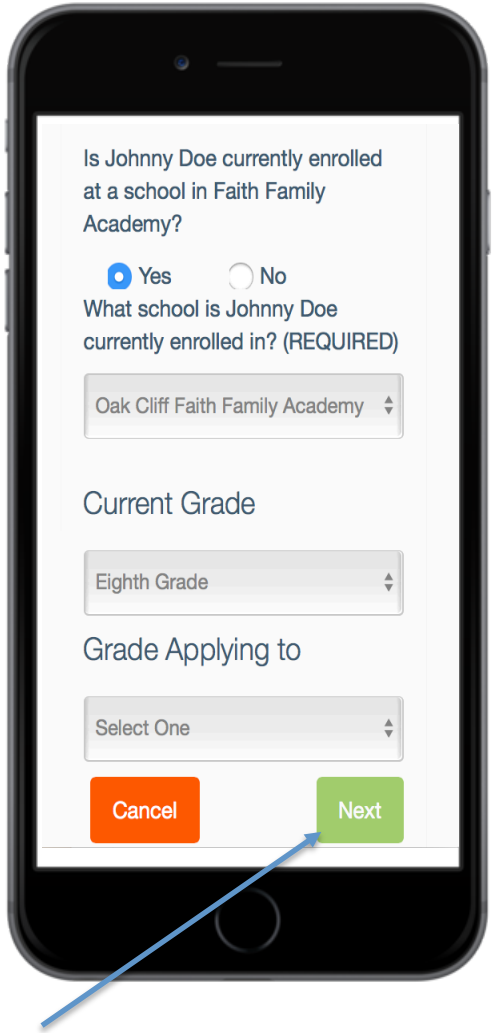


- Fill out information about the student.
- You will do this for all students in your family.

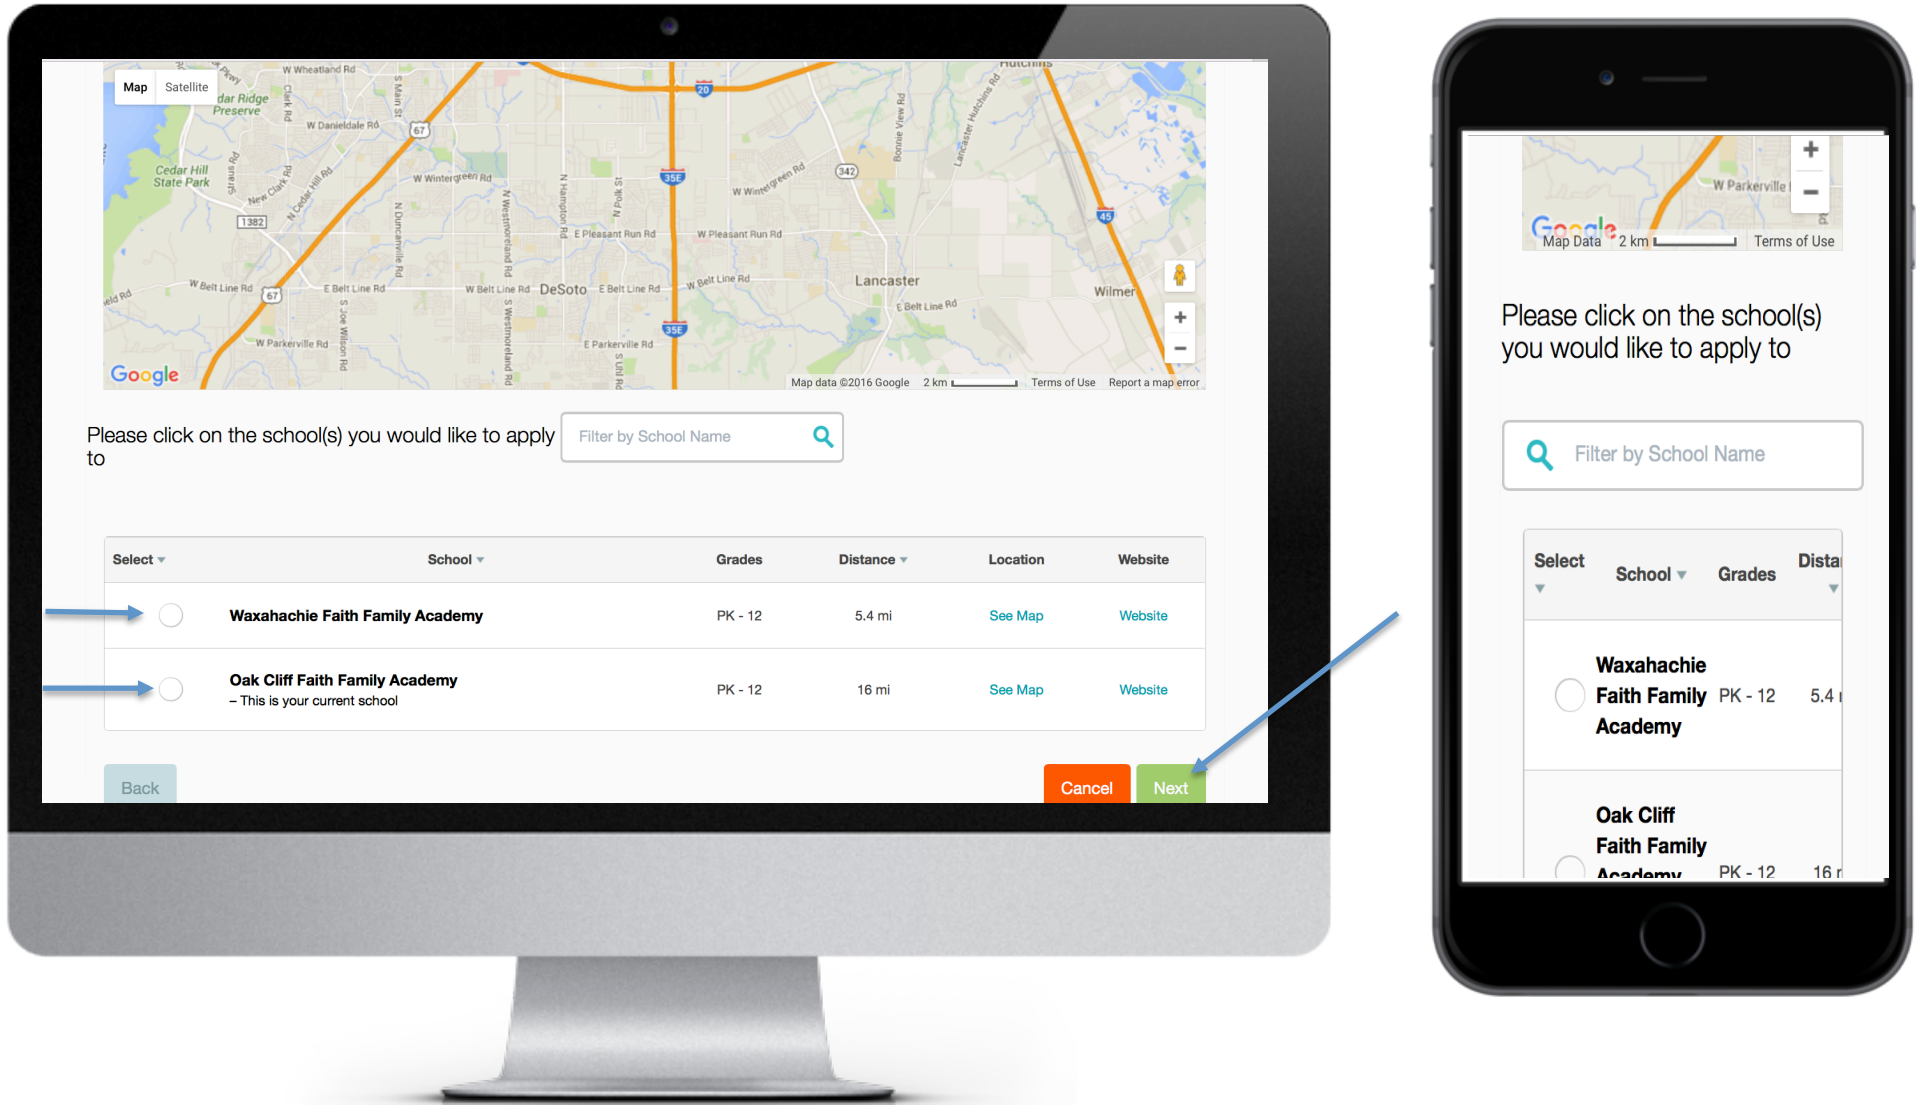


Select student being enrolled or add another student and click next.

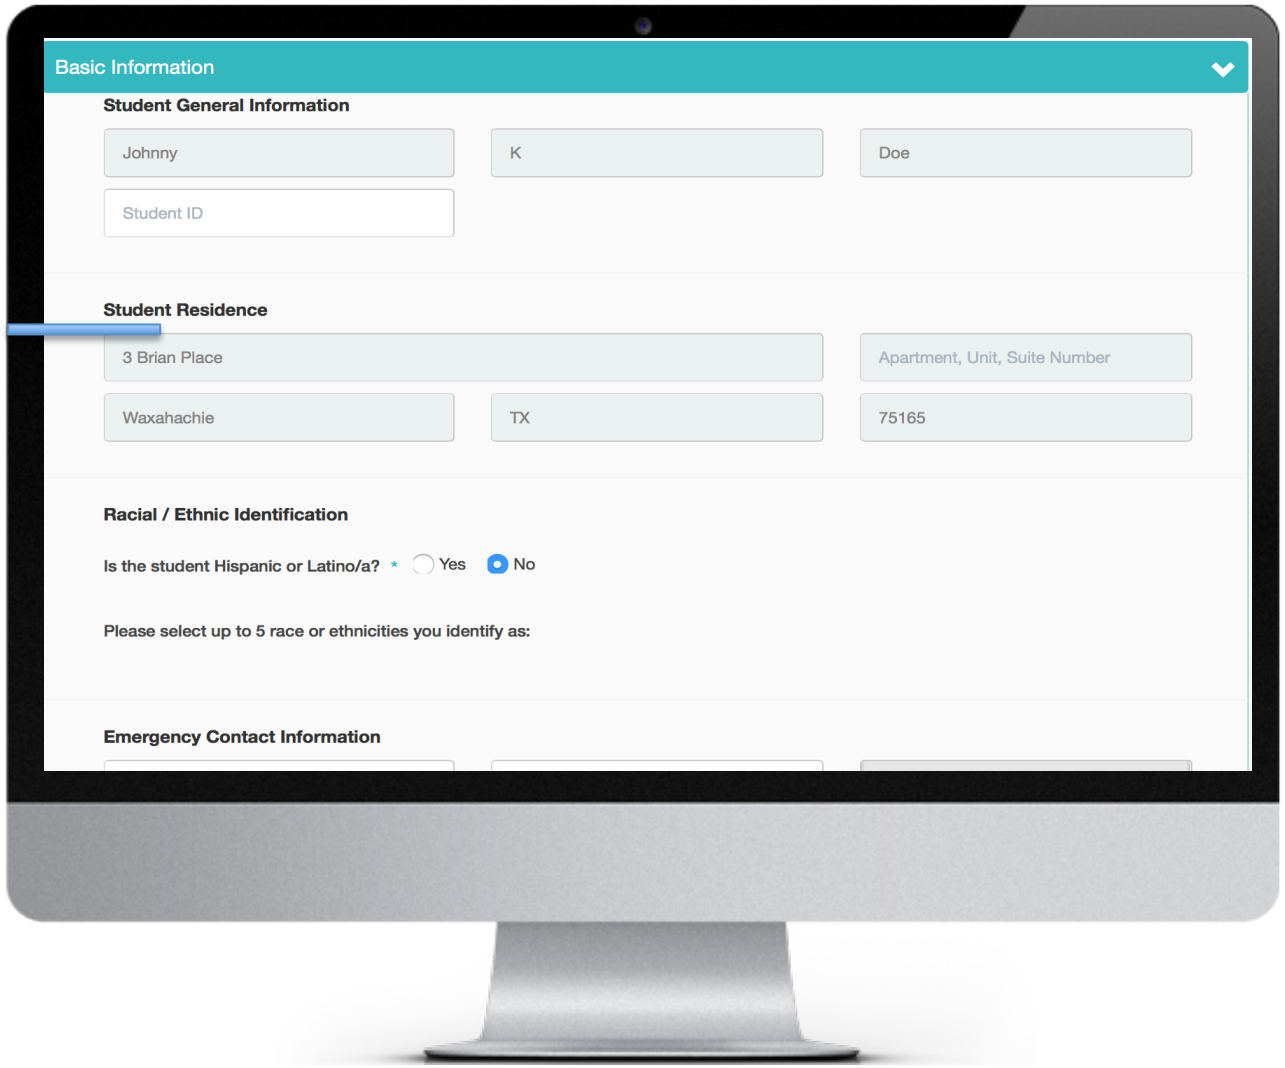


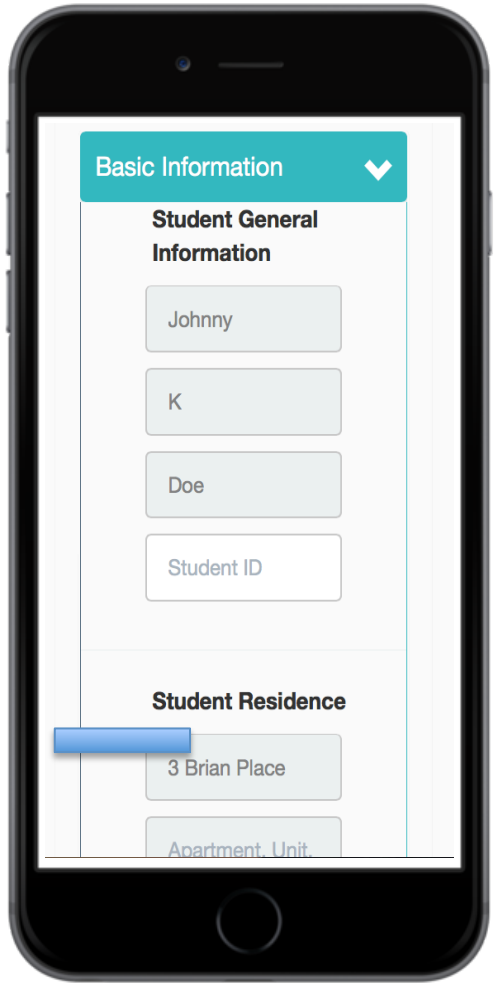


Select the school you prefer and click Next.



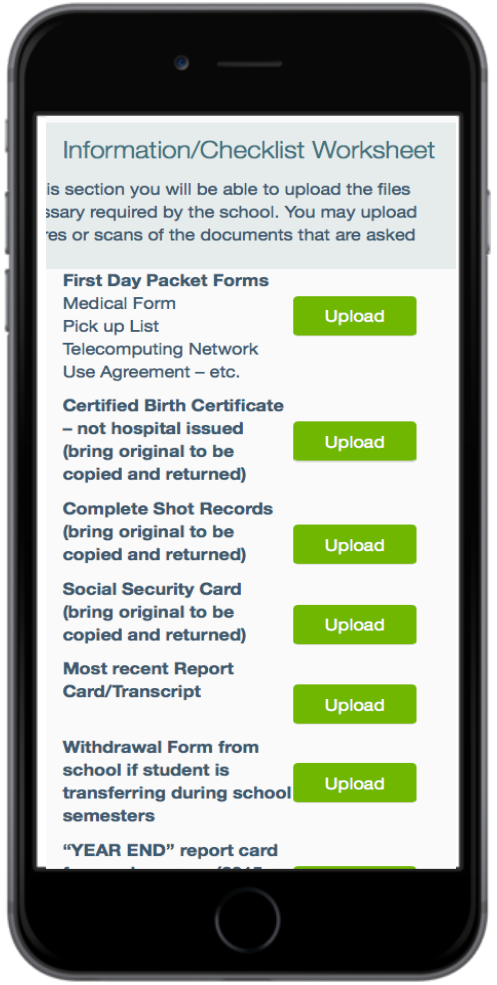
Fill out student's application.





Required Documents

You may upload required documents here, or mail/deliver them to the Registrar's office.



Sign and submit the application!
