### ***What are the District’s obligations to children transitioning from IDEA Part C Early Intervention Services (EIS) to IDEA Part B Early Childhood Special Education (ECSE)?***

Waxahachie Faith Family Academy coordinates with [Texas Health and Human Services Commission \(THHSC\)](#)<sup>1</sup> or its local designees—the Early Intervention Agency—to notify parents or guardians of children in the District who are at least 3 years of age but younger than 6 years of age and who are potentially eligible for enrollment in Waxahachie Faith Family Academy’s IDEA Part B Early Childhood Special Education (ECSE) program of the availability of the program.<sup>2</sup> Additionally, at least 90 days before the 3<sup>rd</sup> birthday of a child with a disability under Part C EIS, who may be eligible for preschool special education and related services under Part B, the Early Intervention Agency—must notify the District that the child will shortly reach the age of eligibility for Waxahachie Faith Family Academy’s ECSE program.<sup>3</sup> Executive Director Special Programs is an appropriate contact to receive such notice.

If a child is potentially eligible for Waxahachie Faith Family Academy’s ECSE program, with family approval, a transition conference will be convened by the Early Intervention Agency, with an invitation to the District, not fewer than 90 days and not more than 9 months before the child’s

3<sup>rd</sup> birthday, to discuss any potential special education and related services the child could receive from the District.

If the Early Intervention Agency determines that the child is eligible for [Early Intervention Services \(EIS\)](#) more than 45 but less than 90 days before the child's 3<sup>rd</sup> birthday and if that child may be eligible for ECSE services under Part B, the Early Intervention Agency, as soon as possible after determining the child's eligibility, must notify Waxahachie Faith Family Academy that the child on his 3<sup>rd</sup> birthday will reach the age of eligibility for the District's ECSE program.<sup>4</sup> The Executive Director of Special Programs is an appropriate contact to receive such notice.

The Executive Director of Special Programs shall ensure that an IEP is in effect for an IDEA B eligible child with a disability who had previously received IDEA Part C services by the child's 3<sup>rd</sup> birthday while complying with the procedures in **the District's Evaluation Procedure Operating Procedure**. If a child's 3<sup>rd</sup> birthday occurs during the summer, the student's ARD committee shall determine the date when services will begin.<sup>5</sup>

If Waxahachie Faith Family Academy knows that a child served in Part C via an *Individualized Family Service Plan* (IFSP) developed by the Early Intervention Agency and referred to IDEA Part B will turn 3 over the summer and that appropriate Waxahachie Faith Family Academy personnel won't be available to conduct evaluations and hold ARD committee meetings during the summer, The Executive Director of Special Programs shall ensure that required activities such as conducting the evaluations, and convening the ARD committee meeting occurs before the end of the school year.<sup>6</sup>

When the Early Intervention Agency provides notification to Waxahachie Faith Family Academy of a potentially eligible child fewer than 90 days before the student's 3<sup>rd</sup> birthday, the Early Intervention Agency must provide a written explanation to the District stating the reason for the delay. The Executive Director of Special Programs is an appropriate contact to receive such notice. If notification is given between 45-89 days before the student's 3<sup>rd</sup> birthday, the Executive Director of Special Programs shall ensure that eligibility is determined as soon as possible.

If a student with a disability was served under IDEA Part C via an *IFSP*, the student's IFSP may serve as the IEP of a child with a disability aged 3 through 5 (or, at the discretion of the state educational agency, a 2-year-old child with a disability who will turn age 3 during the school year), if the IFSP was developed in accordance with ARD committee procedures, is consistent with state policy, and agreed to by Waxahachie Faith Family Academy and the student's parents or guardians.<sup>7</sup>

If a student's IFSP was incorrectly developed by the Early Intervention Agency and Waxahachie Faith Family Academy and the parent or guardian agree to use the IFSP in lieu of an IEP,

Waxahachie Faith Family Academy shall modify the IFSP so that it meets the requirements for an IEP.<sup>8</sup>

While IDEA Part B requires coordination to assure the continuity of services, it does not compel Waxahachie Faith Family Academy to provide all the same services in an IEP that were in a student's IFSP.
